

Practice Support Consultation

Looking to improve dementia care in your practice?

Practice change can be difficult to accomplish without support. Dementia Care Aware offers hands-on guidance and resources through partnerships with UCLA Health and the Alzheimer's Association's quality improvement team.

Alzheimer's and Dementia Care (ADC) Program

Connect with UCLA experts and explore dementia care programs to find the best fit for your practice.

Options include:

- ✓ Benjamin Rose Institute Care Consultation
- ✓ Care Ecosystem
- ✓ MIND at Home
- ✓ Healthy Aging Brain Center
- ✓ Integrated Memory Care
- ✓ UCLA Alzheimer's and Dementia Care Program
